

LS80

END-EFFECTOR MODULES

Rotation, turnover, fine adjustment and quick-change options for varied assembly positions.

WORKING RADIUS

2000 mm

VERTICAL STROKE

1000 mm

LOAD CAPACITY

80 kg

ARM WEIGHT

75 kg

SERIES APPEARANCE

OPERATING DATA

Air pressure 0.6–0.8 MPa
Main $\pm 180^\circ$ / end 360°
Tool interface [TBC]

Weight excludes fixture

END-EFFECTOR OPTIONS

01 End rotation module

02 Workpiece turnover module

03 Fine-angle tilting module

04 Quick-change coupling

05 90° manual right-angle module

CONFIGURATION

Interface size [TBC]
Travel range [TBC]
Final design [TBC]

Concept illustrations; actual configurations to be confirmed.
